In supersession of the orders contained in Public Works Department Circular No. 64, dated the 21st December 1872, the undersigned is directed to forward, for information and guidance, the accompanying Resolution by the Government of India in the Financial Department, No. 2,065, dated the 4th August 1873, regarding the adjustment of payments in England of Indian absentee allowances which are chargeable to other than the general revenues of India.

2. The undersigned is to state that, pending the issue of further orders on the subject, the quarterly lists prescribed in paragraphs 3 and 4 of that Resolution, which it will be observed should only include officers whose absentee allowances are *not wholly chargeable to Indian revenues*, will be submitted by the account officers who grant the final last-pay certificates to officers of this department proceeding to England.

3. The Controllers of Public Works Accounts at Madras and Bombay should each prepare two such lists, one to include officers attached to provinces under the Government of India, and which should be forwarded to that Government for transmission to the Secretary of State, the other to include officers belonging to Madras or Bombay, and which should be transmitted through the Government of Madras or Bombay, as the case may be.

Resolution by the Government of India in the Financial Department, dated Simla, 4th August 1873, No. 2,065.

Read—

Resolution of the Government of India in this department, No. 4,005, dated 7th November 1872, regarding the adjustment of payments in England of Indian absentee allowances which are chargeable to other than the general revenues of India.

Resolution.—Since this resolution was passed it has been ascertained that in the accounts furnished by the Secretary of State to the Government of India, absentee allowances payable from the general revenues of India are shown as final charges, while those payable from other sources

are charged in his remittance account. As it is necessary in the case of an absentee allowance paid in England, and chargeable partly to the general revenues of India, and partly to some other source or sources, that the Secretary of State should be informed of the proportions in which it is so chargeable, the Governor-General in Council is pleased, in anticipation of the approval of the Secretary of State, to prescribe the following rules in supersession of those recorded in the Resolution of 7th November.

2. When the absentee allowances of an officer proceeding to England are payable partly from the general revenues of India, and partly otherwise, the proportions in which they are payable from different sources shall be stated in his last-pay certificate.

3. Every Account Officer in the Civil, Military, and Public Works Departments shall submit quarterly lists in the following form to the Secretary of State, through the Government of India in the—

Financial Department, if he is a Civil Account Officer out of Madras or Bombay;
Military Department, if he is a Military Account Officer out of Madras or Bombay;
Public Works Department, if he is a Public Works Account Officer out of Madras or Bombay;
Department of Agriculture, Revenue and Commerce, if he is a Forest Account Officer out of Madras or Bombay;

Fort St. George or Bombay, if he is an Account Officer in that Presidency.

4. The lists should be in the following form, and the numbers in the first column of each list should be consecutive :—

QUARTERLY LIST OF OFFICERS WHO HAVE PROCEEDED TO ENGLAND WITH LAST-PAY CERTIFICATES ISSUED FROM THIS OFFICE FROM THE 1ST January TO THE 31st March 18
April 30th June
July 30th September
October 31st December

SHOWING THAT THEIR ABSENTEE ALLOWANCES ARE NOT WHOLLY CHARGEABLE TO INDIAN REVENUES.

Number of Entry.	Title and Name of Absentee.	Number and Date of Last-pay Certificate,		Source or sources from which absentee allowance is payable, and proportions in which it is payable from each of different sources.
		Number.	Date.	

5. The Secretary of State will, in reply, furnish quarterly statements in the following form to the Government of India in the Financial Department, and to the Governments of Fort St. George and Bombay :—

7. A copy of each section of the statements received in this department will be forwarded to the Account Officer to whose list it refers, unless he is an Account Officer under the Military or Public Works Department, or the Department of Agriculture, Revenue and Commerce, in which case a copy of the section will be forwarded to that department for transmission to him. Similarly a copy of each section of the statements received by the Governments of Madras and Bombay should be forwarded to the Account Officer concerned.

8. This Resolution will take effect from the 1st January 1873. Amended lists for the first and second quarters of 1873 should therefore be furnished to the Secretary of State as soon as practicable. It is unnecessary, however, to issue amended last-pay certificates in lieu of those already granted.

ORDER.—Ordered that the foregoing Resolution be communicated to the other departments of the Government of India, the Governments of Fort St. George and Bombay, the Comptroller General, the Director General of the Post Office of India, the Accountants-General, and the Deputy Accountants-General in independent charge.
