*Proceedings of the Madras Government, Public Works Department,
5th May 1874.*

No. 106. Read the following letter from G. S. SAGE, Esq., District Engineer, Cuddapah, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Cuddapah, 14th March 1874, No. 2,425:—

IN my No. 525, dated 3rd March 1873, I brought to notice the necessity of strengthening the offices here, and now have the honour to inform you that the Draughtsman of Cuddapah Range is on sick leave for three months; my Draughtsman has just gone on sick leave for fifteen days, but I expect will require an extension. I and the Cuddapah Range Officer, therefore, are now crippled, and cannot prepare plans and estimates, and work will be delayed, as it is impossible up here to get men to act on 20 or 25 Rupees a month; they will hardly come for the full pay of Rupees 40 and 50.

2. With reference to the above, I have the honour to request that on account of the sickness of this district a 2nd Draughtsman may be attached to my office on Rupees 40 per mensem, so that I may not be left in the fix I am now in, or that in case of a Range Draughtsman being sick absent, I may have a man available to send to the range until the incumbent returns; the whole charge of Rs. 480 would hardly even fall on Government, as taking the present case about 85 Rupees would be recovered and probably during the year Rupees 200 by the half pay not drawn for absentees.

No. 107. ORDER THEREON, 5th May 1874, No. 1,193.

ESTABLISHMENT, No. 7.

His Excellency the Governor in Council sanctions the entertainment of an additional Draughtsman on Rupees 40 for six months, if necessary, for the preparation of such plans and estimates as may be most required; as has been authorized* for the Kurnool District under similar circumstances.
