*Proceedings of the Madras Government, Public Works Department,
5th May 1874.*

No. 110. Read the following letter from Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 11th April 1874, No. 60 :—

I HAVE the honour to report that I have appointed with the concurrence of the President, Local Fund Board, Moonesawmy Naidoo, now Local Fund Overseer in the Wallajah Range, to act as Taluq Overseer, vice Moonesawmy Moodelly on sick leave, subject to the sanction of Government, which is necessary, as he has not passed the requisite examination.

2. Moonesawmy Naidoo was first entertained as an Apprentice in December 1861, and appears from G.O., No. 1,115, of 11th April 1866, to have received a promise of permanent employment.

3. Several other Apprentices were entertained about the same time, all of whom have already obtained posts as Taluq Overseers on the Imperial Establishment; Moonesawmy Naidoo's case appears to be one of some hardship, and I should certainly have endeavoured to provide for him sooner had it been brought to my notice; as it is the present vacancy is the first that has occurred since I became acquainted with the circumstances.

4. The present vacancy will only be for three months, as at the end of that time I propose to dispense with the services of the extra Overseer sanctioned in G.O., No. 1,925A, of 31st July 1873. I should do so now, but that I wish to allow three months' privilege leave to an Overseer (Appasawmy Pillay) whose industry and intelligence render him well worthy of the indulgence; but, in the event of a vacancy occurring hereafter, Moonesawmy Naidoo's claims should not be overlooked.

No. 111. ORDER THEREON, 5th May 1874, No. 1,195.

ESTABLISHMENT, No. 8.

THE proceedings reported in this letter are approved as a temporary arrangement. It does not appear that

Moonesawmy Naidoo has qualified for any higher grade than the obsolete one of Sub-Overseer.
