*Proceedings of the Madras Government, Public Works Department,
7th May 1874.*

No. 169. Read the following letter from Major H. R. MEAD, R.E., District Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 14th April 1874, No. 45 :—

With regard to the appointment of N. Ruthnasabapathy Pillay as Probationary Assistant Engineer to this district, I have the honour to request sanction to entertain the establishment ordered for Probationary Assistant Engineer, viz. :—

							ES.
1 Writer	...	...	...	...	...	...	22
2 Lascars	...	...	...	...	...	...	14

In G. O., No. 770, dated 11th March 1873, it is ordered that these establishments are to be permanent; but as in that order four Probationary Assistant Engineer establishments are ordered for four districts, Tanjore not being one of them, it is necessary for me to obtain sanction before entertaining the establishment.

2. I have directed N. Ruthnasabapathy Pillay to join No. 3 Range, and be employed on some minor projects that require maturing; this will be good training for him; after about three months of this work I propose to employ him as a sub-officer in one of the ranges, so that he may get acquainted with the system of carrying out works. As this is the case he will now require lascars, but the writer need not be appointed at present.

No. 170. ORDER THEREON, 7th May 1874, No. 1,223.

ESTABLISHMENT, No. 9.

His Excellency the Governor in Council sanctions the entertainment of two lascars at Rupees 7 each per mensem for Ruthnasabapathy Pillay, Probationary Assistant Engineer of the Tanjore District, with a writer on Rupees 22 when he shall have obtained a sub-divisional charge.
