*Proceedings of the Madras Government, Public Works Department,
8th May 1874.*

No. 207. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 15th April 1874, No. 447:—

With reference to the Notification of the 10th instant, posting Lieutenant-Colonel A. S. Moberly, R.E., to the Cuddapah District, and Major H. L. Prendergast to the Trichinopoly District as District Engineers, I have the honour to inquire whether these officers are to be regarded as having become effective members of the department from the date, respectively, on which their furlough expired by return to the Presidency, or whether they should be regarded as on subsidiary leave for the period between the date of their return to the Presidency and the date on which they may join the districts to which they have been posted.

2. If the officers in question had been posted to districts before or immediately after their return to the Presidency, there would have been no necessity for this reference, but as they were detained at the Presidency awaiting the orders of Government, it becomes necessary to decide whether or no they should be regarded as on the effective establishment from the date on which they reported themselves for duty.

No. 208. ORDER THEREON, 8th May 1874, No. 1,243.

ESTABLISHMENT, No. 11.

The officers in question will be regarded as being on the effective establishment from the date on which they reported their return from leave.

2. It will be observed from the original postings on the re-organization of the department published in the *Gazette* of the 13th November 1872, that Lieut.-Colonel A. S. Moberly was posted to the Malabar and Major Prendergast to the Trichinopoly District.
