*Proceedings of the Madras Government, Public Works Department,
11th May 1874.*

No. 235. Read the following letter from the Superintendent, Revenue Survey, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Chepauk, 17th April 1874, No. 982-29:—

In acknowledging the receipt of the Order of Government, No. 931, of the 9th April 1874, issuing instructions for the adjustment of certain undisputed outstandings due by the Revenue Survey Department to the Public Works Stores, I have the honour to state that the General Superintendent, Public Works Workshops and Stores, having on the 12th February last forwarded to me amended bills for transfer Items Nos. 4 and 5, the amounts, respectively, Rs. 149-2-2 and Rupees 89-14-7 have already been adjusted.

2. According to paragraph 3 of Government Order under reply, the whole of Item No. 1 and portions of Nos. 3 and 6, which are not in dispute will now be adjusted.

3. As regards the opinion expressed in paragraph 2, that "the charge for the first item of Rupees 28-10-0 seems justified," I respectfully beg leave to recall to the notice of Government the statement in paragraph 4 of my letter of the 12th December 1873:—"The first item is the cost (Rupees 28-10-0) of repairing

Theodolite No. 27. This instrument, when returned from the Workshops, was found to be in the same unserviceable condition as when forwarded for repair. The General Superintendent, in reply to a reference on the subject, stated that it has not been repaired as it requires a new vernier." I have the honour to request further instructions regarding this item. The instrument was not fit for use when received, and the General Superintendent acknowledges it was not repaired. A copy of his letter is enclosed.

Copy of a letter from the General Superintendent, Public Works Workshops and Stores, to the Superintendent, Revenue Survey, dated 23rd March 1872, No. 2,408.

In returning herewith Theodolites Nos. 27 and 56, I have the honour to state that these instruments have not been repaired as they require new verniers. The dividing machine is shortly expected from England, and as soon as the machine is set up intimation will be sent you when the instruments could be sent back for repair.

No. 236. ORDER THEREON, 11th May 1874, No. 1,258.

ACCOUNT, No. 12.

THE Superintendent, Revenue Survey, will be supplied with extract paragraph 4 of letter from the General Superintendent of Public Works Workshops, No. 2,922, of 7th February, referring to the subject of paragraph 3 of this letter.
