With reference to G. O., No. 2,924, dated 4th December 1873, I have the

honour to forward plan, specification, and estimate, amounting to Rupees 770, for constructing a 2nd class Police Station-house at Kotoor in the Munnar-

gudi Taluq. The amount provided for this work in the above Government Order is Rupees 600, and as the work can be completed within the year 1874-75 if the full amount of the estimate is available, I request that the difference, viz, Rupees 170, may be allotted to the work in 1874-75.

2. The enclosed plan has been prepared in accordance with one furnished by the Inspecting Engineer for Buildings for adoption in this district, the Inspector-General of Police is said to have approved of it. The plan is stated to be that already adopted in the North Arcot District.

REFERRED to the Inspector-General of Police for approval of plan and estimate, and for report of the circumstances under which a new station-house is necessitated by the old one having fallen; under what supervision the latter was built and at what cost.

Forr St. George,

Secretary to Government, P.W.D.

No. 237. From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 30th March 1874, No. 1,273.

With reference to your endorsement, dated 27th instant, on the Tanjore District Engineer's letter of the 23rd idem, No. 1,148, to your address, I have the honour to state that the estimate (Rupees 770) with the plans for a new station-house at Kotoor, Tanjore District, is approved and returned countersigned to save delay.

2. As a sum of Rupees 600 only has been entered in the list approved by Government for the work in question, the balance (Rupees 170) required will be provided in due course should funds become available in 1874-75.

3. The report called for regarding the old mud station-house at the locality will be submitted after the requisite information has been obtained from the district. Meanwhile the papers are returned for sanction owing to the close of the official year.

No. 238. From the same Officer, dated Madras, 14th April 1874, No. 1,413.

With reference to paragraph 3 of letter from this Office, No. 1,273, dated 30th ultimo, I have the honour to submit

a report,* in original, received from the

Superintendent of Police, Tanjore, regarding the old mud station-house at Kotoor in the same district.

Proceedings of the Madras Government, Public Works Department,
12th May 1871.

2. It will be observed that the old Police Station-house was built by a contractor at a cost of Rupees 210 in 1861-65, and that the building having fallen down in 1871, the materials were sold for Rupees 17-2-0. An old mundappam, private property, has been since used as a station, but this is stated to be unsuited for the purpose.

From Captain A. T. ROLLAND, Superintendent of Police, Tanjore, to the Assistant Inspector-General of Police, Madras, dated Tanjore, 2nd April 1871, No. 84.
In reply to your memorandum No. 1,231, dated 31st ultimo, (Housing and Buildings) I have the honour to report as follows.

2. The building at present used as a station-house is an old mundappam; as each hot weather comes round it is used as a water-pot, and the owner, to whom we pay no rent, asks us to quit, but he has always allowed us to stay on in it using only a small portion of what is already a very small building; it is best utterly unsuited for the purpose of a Police Station-house; there is no other building in the village which is situated on the high road between the Cushtals of Munnarguly and Telipalayam.

3. In the year 1861-65 a mud wall and tiled roof building was erected by a Contractor, Seshalingar, at a cost of Rupees 210. The Inspector-General sanctioned the scheme, as Government sanction, at that time, was not required. This mud building fell down in the year 1871. (vide letter No. 121, dated — May 1871, from this office). The material was sold as per sanction granted in memorandum No. 3,633, dated 16th May 1871, and fetched Rupees 17-2-0. Before this building was erected, and since its fall, we have occupied the mundappam above referred to.

No. 289.
ORDER THEREON, 12th May 1871, No. 1,231.
CIVIL WORKS, No. 31.

His Excellency the Governor in Council sanctions the plan with estimate, amounting to Rupees 770, for construction of a 2nd class Police Station-house at Kotoor in the Tanjore District.

2. It is observed that the Budget provision for the work is less than the estimate now sanctioned by Rupees 170, and that the Inspector-General of Police promises to provide this balance later in the year should funds become available.
