Public works DEPARTMENT

G.O. No.	1285	Press
B.P. No.		Mis
297-298		
Dated	12-5-1894	195

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
12th May 1874.*

No. 297. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevely, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 17th April 1874, No. 4 :—

I HAVE the honour to forward, for the sanction of Government and appropriation of funds, an estimate of Rupees 660 for constructing a Rifle Range and Stop Butts at Palamcottah.

2. An estimate of Rupees 1,350 for this service was sanctioned in G. O., No. 2,367, of 9th October 1872, but funds were not provided for its execution up to date. On receipt of the standard plan communicated with G. O., No. 2,912, of the 3rd December last, for guidance, I prepared an estimate which amounted to Rupees 660 and forwarded it to the Military Authorities for disposal. The estimate was returned to me duly approved by His Excellency the Commander-in-Chief with an intimation that funds should be applied for. I therefore request that the Government may be pleased to allot funds at an early date with a view to the work being carried out as soon as possible.

No. 298. ORDER THEREON, 12th May 1874, No. 1,285.

THE modified estimate of Rs. 660 is sanctioned in supersession of the estimate of Rupees 1,350 approved in G. O. of 9th October 1874, No. 2,367.

2. Authority for proceeding with the work was granted in G. O., No. 1,031, of 21st April 1874.

(True Extract.)
(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government.

To the Military Department.
District Engineer, Tinnevely.
Officiating Controller of Public Works Accounts.
