Proceedings of the Madras Government, Public Works Department, *18th May* 1874.

No. 373. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 28th April 1874, No. 346:—

I HAVE the honour to state that, in compliance with the instructions conveyed in paragraph 3 of G. O., No. 162 A, under date the 24th January 1874, the Inspecting Engineer for Civil and Military Buildings has, in his circular letter, under date the 23rd March 1874, No. 471, suggested that the course laid down in "Weale's Rudimentary Treatise on Well Sinking" should be followed in all cases in which wells may be sunk in this district.

2. I request therefore that Government will be pleased to authorize me to purchase three copies of the above-mentioned treatise for the use of my office and that of the Madura and Dindigul Range Officers, respectively, and to meet the cost of the same, viz., Rupees 2-10-0 (at 14 Annas each copy, including postage) out of the sum allotted for the contingent expenses of my office.

No. 374. ORDER THEREON, 18th May 1874, No. 1,323.

ESTABLISHMENT, No. 23.

His Excellency the Governor in Council has no objection to supply subordinate officers of the department, in range or sub-divisional charge, with copies of the treatise in question for use in their work; but is of opinion that officers on the Engineering Establishment should supply themselves.
