Sindia
Tirhoot

(By Order.)

(Signed)

J. J. McLEOD INNES,
Depy. Secy. to the Govt. of India.

S. O. No. 4 of 1874.

Mathematical Instruments.

Chap. XVII., Sec. ii, add as paragraph 44 A—

After examination, and before returning the Returns of Tools and Plant for the second-half of the year, the Controller will prepare a statement showing by divisions the whole of the Surveying and Mathematical instruments on the stock of the Province. This Statement will be submitted to the Chief Engineer, who will decide whether any re-distribution of the instruments should be made, and what of the instruments that may not be in use should be returned to Store, i.e., to one of the Instrument depôts.

Where there are separate Irrigation Branches of the Department, the Chief Engineers should confer as to the possibility of meeting each other's wants so as to obviate unnecessary demands on the supplying depôts.

The Director of State Railways and Inspector-General of Military Works, should be similarly supplied with returns of instruments, and should act in the spirit of the above order.

[This order applies to Madras and Bombay.]

No. 396.

ORDER THEREON, 19th May 1874, No. 1,335.
