Proceedings of the Madras Government, Public Works Department, 28th May 1874.

No. 552. *Under date the 28th May* 1874, No. 1,420.

ACCOUNT, No. 30.

It is observed from documents before Government that District Engineers are not always furnished by Civil Officers with information in regard to the expenditure of funds advanced to them by Public Works Agents; and as it is desirable that District Engineers should not be left ignorant of what has been done with money advanced for Public Works within the limits of their charges, and information on this point is also necessary for the proper completion of their Administration Reports, His Excellency the Governor in Council desires that all Civil Officers receiving advances from the Public Works Department will at the end of each year furnish the District Engineers concerned with a Memorandum of expenditure incurred from them.
