No. 41. Read the following letter from Captain R. F. TAYLOR, Acting District Engineer, Kurnool, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Kurnool, 6th May 1874, No. 18:—

I HAVE the honour to forward a letter from Mr. Bell, Assistant Engineer, Cumbum Range, for your favourable consideration. I have just now found it amongst Mr. Fraser's papers.

From J. M. BELL, Esq., Assistant Engineer in charge of Cumbum Range, to W. FRASER, Esq., District Engineer, Kurnool, dated Cumbum, 2nd December 1873, No. 571.

I BEG to bring to your notice that my salary and allowances from the 21st June to the 2nd July 1873 have been disallowed by the Controller of Public Works Accounts, on the grounds that the order transferring me did not direct that I should join my new appointment at the public expense. Under the circumstances of my removal from the South Arcot District, I beg to know if such a disallowance was intended to be part of the punishment already inflicted upon me? I have the honour to request that you will kindly refer this matter to Colonel Walker, Chief Engineer, with a view that my pay and allowances disallowed may be disbursed to me, as I incurred great expense in joining my new appointment.

No. 42. ORDER THEREON, 3rd June 1874, No. 1,454.

ESTABLISHMENT, No. 5.

MR. BELL having been severely punished by reduction of seven steps in rank, His Excellency the Governor in Council is pleased to remit the further penalty incurred by his removal from one district to another, not at the public expense.
