*Proceedings of the Madras Government, Public Works Department,
3rd June 1874.*

No. 43. Read the following endorsement of the Chief Engineer for Irrigation, dated Ootacamund, 4th May 1874:—

From R. K. WILLIAMS, Esq., Officiating Government Examiner of the Madras Irrigation and Canal Company's Accounts, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Kurnool, 28th April 1874, No. 76.

I HAVE the honour to recommend that Manajee Row, Government Accountant at the Madras Irrigation and Canal Company's Office at Kurnool, be granted the annual increment of Rupees 10 per month, sanctioned in G. O., No. 2,339, dated the 20th September 1873; from the beginning of the current official year.

SUBMITTED for the orders of Government.

Apparently by mistake the Government of India sanctioned an increase of 10 Rupees a month annually to the Accountant C. Manajee Row's pay, but G. O., No. 2,087, of the 21st August 1873. the recommendation of this Government was that such increase should be allowed every other year until the maximum of Rupees 150 a month was attained.

(Signed) J. MULLINS, Lieut.-Colonel, R.E.,
Chief Engineer for Irrigation.
