The humble Petition of

G. Streenivasa Row, late Head

Accountant of Bellary Range No I

D.P.W

Most Respectfully Sheweth.

Your Excellency in Council

was graciously pleased (in G.O No 3 dated

5th January 1874) to permit your humble

Petitioner's re-employment in the Govern-

-ment Service observing however at the

same time that the punishment already

suffered by Streenivassa Row will not be

remitted but Suitable employment will

be found for him in some district other

than Bellary."—

2 The grounds upon which Government have declined not only to thoroughly exo= nerate and Restore Your Petitioner to his former post but even to remit the punish= ment already Suffered by him in the forfeiture of 20 months Salary at 70 Rupees per Mensem might (be very Satisfactorily explained away and the innocence of petitioner made all but questionable; but he is afraid he would vex Government with a repetition of his case and will not therefore venture to attempt it here. Nor does he in the least grumble at the decision of Government but is abundantly grateful to Your Excellency in Council for the measure of justice done to him at present.

3 But your petitioner only regrets to complain that ever since the issue of your

Excellency's Order (No 3 dated 5th January 1874) Your petitioner has been in vain applying to the District Engineers of Bellary, Cuddapah and Kurnool praying them to bestow upon him some appointment in their Districts.

4 The District Engineers of Cuddapah and Kurnool have taken no notice of the applications and the District Engineer of Bellary has refused altogether to employ your petitioner in his district on the ground that the above G. O prohibits petitioner's em= ployment not only in the Bellary Range in which he was formerly employed but in that whole district, consisting of three more Ranges in addition to Bellary, viz: Hospett Gooty and Permacondah.

5 Your petitioner has all along been under the impression that the words in the G. O "in some district other than Bellary"

Simply meant in Some Range other than Bellary; and he now humbly Submits that there is no reason why his employment in the other Ranges of the Bellary district should have been prohibited, as the District Engr of Bellary supposes. Petitioner was employed in the Military Buildings Range of Bellary, consisting of the town and its large Cantonment and it would, it is submitted, be treating Your petitioner too hardly to exclude him for no reason from the whole District of Bellary.

6. Your petitioner humbly urges that it is now nearly 4 long months since he received Your Excellency's gracious order of Restoration but has yet been unable to secure the means wherewith to maintain himself and his starving family — "No suitable employment having been yet" found for him."

7 It were out of place to retail here

the difficulties and inconveniences, the actual destress and mental misery Your petitioner has undergone since his over throw from office: he begs to content himself with merely representing that unless Your Excellency's Government kindly interferes on his behalf and makes room for him Somewhere in the Government Service there is no hope of his regaining his lost footing in the Department.

8 Under these circumstances Your petitioner most humbly prays Your Excellency to kindly consider his helpless case and give a practical effect to your gracious order No. 3. dated 5th January 1874 —

9. Petitioner also prays that if Your Excellency's Government would not order his

reinstatement in his former post from the
date of dismissal, they will at least kindly * 14 September 1872
permit the intervening time to count as
Service for pension in continuation of his
past 20 years Service in the D.P.W.

For this act of kindness your petitioner
as in duty bound shall ever pray.

Petitioner humbly begs to remain
Your Excellencys most obedient
and humble Servant.
