Proceedings of the Madras Government, Public Works Department,
4th June 1874.

No. 64. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 11th May 1874, No. 277 :—

I HAVE the honour to submit, for the sanction of the Government of India, the enclosed estimate, amounting to Rupees 2,092, of the cost of providing a 5-ton crane at the Goriattum station.

2. The Agent quotes as follows from the Acting Chief Engineer's letter :—

"The Traffic Manager states that the timber traffic at this station is steadily increasing, and asks for a 3-ton crane. We have none of this size in stock, I have therefore estimated for a 5-ton crane which we have in general stores."

3. The subject was discussed at a meeting of the Railway Committee at Royapooram, and I am satisfied that the crane is necessary.

4. Funds are available from the provision for "Unforeseen Requirements" in Schedule B. of the Budget Estimate for 1874-75, and the sanction will lapse at the end of the fourth quarter from the date of its receipt.

No. 65. ORDER THEREON, 4th June 1874, No. 1,467.

RAILWAY, No. 13.

ORDERED that this estimate be forwarded for the sanction of the Government of India.
