Proceedings of the Madras Government, Public Works Department, 4th June 1874.

No. 69. Read the following letter from Colonel C. V. WILKIESON, R.E., District Engineer, Coimbatore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coimbatore, 8th May 1874, No. 17:—

WITH reference to G. O., dated 14th March 1874, No. 694, on the subject of checking the encroachments of the Cauvery, north of the town of Collegal, I have the honour to report that I have received a sketch of the ground, and have no doubt the gradual destruction of the bank can be stopped; but it is too late in the season to be able to do any thing at present, so I defer sending in plan and estimate for protective works until I can myself visit the spot later in the season.
