Proceedings of the Madras Government, Public Works Department, 6th June 1874.

No. 117. Read the following letter from J. N. TAYLOR, Esq., Acting Master Attendant, Administrative Department, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 9th May 1874, No. 2,783 :—

I SHALL be very much obliged if you will inform me what is the present position of the Pier Committee, and what portion of detail work connected with the pier is to be referred to it, if it exists. On taking charge of this office I found the two accompanying Extracts of Proceedings of Government, one dating 3rd March, apparently dissolving the Committee, and another, 19th March, providing for a new member. The recent storm has of course caused some damage, which I am having repaired by Mr. Sadler to complete the efficiency of the pier ; but I should also like to take the opinion of the other members of the Committee in some other matters, or apply direct to Government if the Committee does not exist.

No. 118. ORDER THEREON, 6th June 1874, No. 1,496.

CIVIL WORKS, No. 8.

THE Master Attendant will be informed that a Pier Committee still exists, constituted as shown in G. O., No. 1,136, of 30th April, which has been communicated to him. The order in the Marine Department of the 3rd March, which he alludes to, was issued under a misconception, and may be considered as superseded by the later orders in the Public Works Department.
