No. 138. Read the following endorsement of the Revenue Department, dated 11th May 1874 :—

Read the following Proceedings of the Board of Revenue, dated 7th May 1874, Miscellaneous No. 3,014.

From W. S. FOSTER, Esq., Acting Collector, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 23rd April 1874, No. 104.

I HAVE the honour to inform the Board that the huts of some people in Undi and Mahadenapatnam in the Bhimaveram taluq had to be removed in widening the Undi Channel in connection with the Western Delta Project. The owners having agreed to relinquish their right to them in favour of Government, they were removed in March 1874 and the sites occupied by the Department of Public Works.

2. The Deputy Collector on general duty has ascertained the amount of compensation and fixed it at Rupees 145, and the owners, ten in number, have agreed to receive the amount. I request the sanction of the Board.

3. The work is an Imperial one, and was undertaken under G. O., No. 2,925 of 18th November 1871. The Range Officer tells me that Rupees 4,990 have been provided on account of compensation for the whole work on Undi Canal. The compensation being for houses, I do not think that a compensation statement prescribed for lands taken up should be forwarded.

SUBMITTED for the favourable consideration of Government.
