No. 296. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 19th December 1873, No. 6,162:—

In G. O., No. 1,534, of the 10th June 1873, a sum of Rupees 3,000 was provided for the work named in the margin from Item *No.* 113 of the *Provincial Budget*, and on the work appearing in the Progress Report of the range concerned under "Local Fund" expenditure, this office removed it to "*Provincial Services.*".

Opening a bridle-path from the foot of the Annamallay Hills to Poonachy Saddle.

2. As the District Engineer remarks in the Audit Note by this office that the work "should appear under Road Fund, *vide* G.O., No. 1,511, of the 3rd June 1871," I have the honour to request that you will be good enough to instruct me as to the head of service under which the work referred to should be shown.

No. 297. Order thereon, 23rd January 1874, No. 150.

ACCOUNT, No. 25.

There is no reason why the allotment for the Poonachy Ghaut should be treated differently from the original allotment for the East Coast Canal, from which it was transferred, and the Controller should have overruled the District Engineer's objection without a reference.
