Sir

Adverting to G.O. No 3128
dated 11 December 1871, I have the
honor to state that on my asking
the opinion of the Superintendent of
Police regarding the suitability
of the accommodation provided in
the Design of Police Station Houses
sanctioned in G.O. No 2854 dated
10 November 1871, that Office informs
me that as far as the accommodation
goes the present plan has given
satisfaction.

Thos D. J. P. C.

The Assistant Inspector General
Madras.

Sir

In reply to your Memo No 746 dated
24th February 1874 I have the honor to inform
you that I am of opinion these Station houses
answer well for Police Stations except those in
Cusab and Kuzoor towns.

In Cusab towns, stations will be in the
new Salug Cutcheries.

In Kuzoor towns, station houses when re-
quired should be built on the plan of the 1st
class station.

Practically the new station does supersede
the 1st or 2nd class stations, but I am by no means
prepared to say we should build entirely on the
new plan; improvements will suggest themselves
and much depends on locality. Plans are here
enclosed and the District Engineer's letter with
Government endorsement is herewith returned
as requested.

I have the honor to be
