S. O. No. — of 1874.

RECOVERY FROM MILITARY OFFICERS OF RENTS OF PUBLIC BUILDINGS.

P. W. Code, Chap. XI, Sec. IV, add as paras. 8A, 8B and 8C. the following.

8-A.—The Departmental Officer (Executive Engineer, or Officer of the Barrack Department), who receives the rent of any public quarters, should be held responsible, both for demanding it when due, and for obtaining the amount due, for any broken period. In the event of the Departmental Officer being prevented from pressing the claim owing to an Officer leaving suddenly, or to any other circumstance not in his power to control, he should promptly notify the claim through the Officer Commanding the Station to the occupant's new Paymaster, or the Controller, Military Accounts, as the case may be, for recovery.

8-B.—If ordinary promptitude be used, the Controller, Military Accounts, will, in the case of an Officer leaving the country, receive intimation of the claim in time to order the recovery before the Officer could embark, and thus the necessity of a reference being made to the Secretary of State in the matter would be avoided.

8-C.—In all cases in which rents of public buildings are recoverable from Military Officers, the Departmental Officer concerned (Executive Engineer, or Officer of the Barrack Department) should communicate promptly with the Officers of the Military Pay Department, and especially so when an Officer vacates his quarters and leaves the station before the expiration of the month. Instances of delay in the settlement of claims for rent should be reported to the Local Military Authorities for the issue of such orders as may be deemed necessary for the recovery of the amount due.
