No. 272. Read the following letter from Colonel C. V. WILKIESON, R.E., District Engineer, Coimbatore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coimbatore, 26th May 1874, No. 23 :—

With reference to G. O., No. 2,759, of 23rd November 1872, requiring a special report on Overseer Arbuthnot's management of his works and accounts, I have the honour to report that, whilst in the range, I personally examined his accounts and office records, and they appeared to be kept quite correctly and neatly.

2. The Range Officer reports very favourably of the way in which he carries on the duties of his taluq. He carries out the works entrusted to him very carefully, and measures up all work himself. As far as I can judge from his diaries I should say he is going on very satisfactorily.
