*Proceedings of the Madras Government, Public Works Department,
15th June 1874.*

No. 298.

Read the following papers :—

From Captain A. EDGCOME, R.E., Officiating District Engineer, Bellary, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Garaldinna Taluq, Bellary, 9th May 1874, No. 164.

I HAVE the honour to submit, for the sanction of Government, an estimate, amounting to Rupees 246, accompanied by a sketch and report, for constructing an iron palisade across the main ditch of the Fort at Bellary, in lieu of the old wall lately damaged by the surplus water of the Fort ditch reservoir.

2. The work is necessary to prevent people from committing nuisances.

3. The estimate has been approved by the Local Military authorities; funds for the work can be met from the grant for "Minor New Works, Military."

No. 298A. From Brigadier-General A. HOWLETT, C.B., Quarter Master General, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Ootacamund, 25th May 1874, No. 68.

WITH reference to your Memorandum, No. 349, dated 16th instant, I have the honour to return, approved by the Commander-in-Chief, estimate (Rupees 246) with plan and specification for erecting an iron palisade across the main ditch at Bellary.

2. The other estimate received with your Memorandum has been forwarded to the Officer Commanding Ceded Districts for further explanation. This Officer has also been informed that after passing estimates, he should forward them to this office for the approval of the Commander-in-Chief.

No. 299.

ORDER THEREON, 15th June 1874, No. 1,591.

MILITARY WORKS, No. 11.

THE estimate, amounting to Rupees 246, for the construction of an iron palisade across the main ditch of the Fort

at Bellary is sanctioned for execution from the grant for "Minor New Works" at the disposal of the District Engineer.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the District Engineer, Bellary.
