From T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 23rd May 1874, No. 1,645.

IN returning herewith letter No. 443 of the 11th instant from the District Engineer, Godavery, I have the honour to state that the statements referred

to therein relative to the Steamers *Frank and Ada* and *Shamrock* were prepared before the issue of G. O. No. 1,109 of the 29th April 1874, and show the *original* value of those vessels, not the *present* value as intended by Government, and therefore perhaps the District Engineer should be directed to submit revised valuation statements.

From Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 11th May 1874, No. 443.

No. 301. ORDER THEREON, 15th June 1874, No. 1,592.

ACCOUNT, No. 23.

THE Steamer *Shamrock* having only recently been transferred to the Madras Government there should be no difficulty about her value which should be refunded, together with the cost of fitting, etc. The value of the vessels as they stand in the books of the Department should be charged, subject to revision by the Controller if he thinks they are incorrectly appraised. This, however, must be settled by him in direct correspondence with the District Engineer.
