Proceedings of the Madras Government, Public Works Department,
17th June 1874.

No. 355. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 23rd May 1874, No. 590:—

WITH reference to G. O. of the 9th instant, No. 1,254, wherein a reference made by the Officiating Controller of Public Works Accounts regarding my travelling allowance, I have been exempted from the benefit of the rules regulating these allowances, I have the honour respectfully to request I may be informed the circumstances under which it has been ordered that I should be exceptionally dealt with.

2. I beg to add that it would have been a source of some satisfaction to me had it been intimated in what manner I had incurred the displeasure of Government to be visited with forfeiture of an allowance passed to all officers of the department, and, having endeavoured, to the best of my ability, knowledge, and experience, to promote the interests of Government and the welfare of the district generally, it is very painful to me to find I had failed to give the satisfaction I had hoped to do; but, as nothing is charged against me, and my transfer made on account of the public service, I trust on reconsideration the Government will be pleased to allow me the benefit of the rules.

No. 356. ESTABLISHMENT, No. 21.

ORDER THEREON, 17th June 1874, No. 1,623.

LIEUTENANT-COLONEL FISCHER is referred to G. O., No. 2,867, of 28th November 1870, and informed that his removal from the Godavery District was ordered under circumstances which entail the loss of salary as well as travelling allowances. His Excellency the Governor in Council has, however, been pleased to remit the penalty so far as relates to his salary.
