Proceedings of the Madras Government

Read the following

From the Comr of P.W.A. (M.E. No. 1236 of 11th May 1874)

The Controller is requested to furnish the actual words of the finial paragraph of the order which he quotes; in which he is distinctly informed that the failure of the Fort St George Department connected in its not bringing to notice deviations from the Promotion Rules sanctioned by the Government of India.

I may be wrong - but I can understand wherein the Controller has failed - Subject of course to the explanation now before Govt

I think that the Controller is right in saying that he has nothing to calculate a memorandum that could be considered - not that Govt. object to claims of individuals in their promotions - But this is a standard the Controller is bound by P.S.O. Code enforcement
