Proceedings of the Madras Government, Public Works Department,
19th June 1874.

No. 434. Read the following letter from Captain R. F. TAYLOR, Acting District Engineer, Kurnool, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Kurnool, 27th May 1874, No. 39 :—

I HAVE the honour to forward a petition and other papers* from one Pulnyandy Pillay, late the Head Accountant of the Cumbum Range, for final disposal.

* As per accompanying List.

I would suggest that the petitioner be directed to establish his innocence by prosecuting Durgachellam Chetty for defamation of character ;† I make this proposal because I am, in my own mind, convinced that all the Accountants of the Cumbum Range were implicated, more or less, in the over-payments made by Supervisor Crowe, who, I believe, was merely a tool in their hands. I infer this for the following reasons : when I left Cumbum in 1870, I placed a document with Mr. Hudson showing exactly what was done on the Cuddapah road ; *this paper disappeared* ; and when Serjeant Crowe took charge the writers and maistries incorporated into Iyasami's Contract Certificate work executed by another man (a disqualified contractor), who, I presume, was made a sleeping partner (for the occasion) to suit the peculiar views of the writers and others interested ; a disagreement over the spoils was probably the cause of these circumstances coming to light.

† If some such plan be not adopted these men will never cease from recrimination.

No. 435. ORDER THEREON, 19th June 1874, No. 1,659.

ESTABLISHMENT, No. 29.

THE District Engineer will inform Pulnyandy that every detail of his connection with Mr. Crowe's case was most thoroughly gone into by the Government, and they decline to reconsider their order dismissing him from the public service.
