No. 446. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 19th May 1874, No. 1,511 :—

I HAVE the honour to request that you will be good enough to inform me whether any special arrangement has been sanctioned by Government in respect to the salary of Probationary Assistant Engineer N. Ruthnasabapathy Pillay, who was appointed to the Department in the *Fort St. George Gazette* of the 31st March 1874. My reason for the question is—

(1*st.*)—That it is not usual to style Assistant Engineers of the second grade as "Probationary."

(2*nd.*)—That while the salary of an Assistant Engineer of the second grade is Rupees 350, the Range Officer has claimed at the rate of Rupees 300 for N. Ruthnasabapathy Pillay.

(3*rd.*)—That, probably, a mistake was made in appointing to the second grade instead of to the third grade, to which a salary of Rupees 250 is attached.

No. 447. ORDER THEREON, 19th June 1874, No. 1,665.

ESTABLISHMENT, No. 30.

THE Controller will be furnished with a copy of G. O., No. 909, of 1st April, which specifies that Ruthnasabapathy Pillay was appointed a second class Probationary Assistant Engineer on the terms laid down in a certain report* which states the salary intended for that class as Rupees 150. There should have been no mistake made in the matter by the District Engineer or Range Officer. Ruthnasabapathy Pillay is not yet on the permanent strength of the department.

The Secretary to Government
Public Works Department

Sir,

I have the honor to request that
you will be good enough to inform me
whether any special arrangement had
been sanctioned by Government in respect
to the Salary of Probationary Assistant
Engineer A. Ruthnasabapathy
Pillay, who was appointed to the
Department in the Fort Saint
George Gazette of the 31st March 1874.
My reason for the question is -
(1st) that it is customary to style

Assistant Engineer of the 2nd Grade as
"Probationary"

(2nd) that while the Salary of an Assistant
Engineer of the 2nd Grade is Rs 350, the
Range Officer has claimed at the rate
of Rupees 300 for A. Kuthmadalapatty
Pillay

(3rd) that probably a mistake was made
in appointing to the 2nd Grade instead
of to the 3rd Grade to which a Salary
of Rupees 250 is attached
