Dated	20-6-1874	195 .

Not to be folded or roughly handled

No. 454. Read the following letter from R. SMITH, Esq., District Engineer, Nellore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Nellore, 18th May 1874, No. 12:—

1 Revised Estimate.
1 Comparative Statement.

I HAVE the honour to solicit sanction for a further sum of Rupees 195 on account of the construction of the Salt Cutcherry at Kanuparty, and to express my regret that I did not allow more liberal rates in the revised estimate submitted by me on the 7th December 1872.* The difficulties attending building operations in an out-of-the-way place, where labour is scarce, were underrated, and I am in consequence compelled to submit another estimate for the consideration of Government. I am no doubt to blame for not having allowed ample rates, but, on the other hand, it would, I consider, be a mistake to agree to increased expenditure so long as a hope existed of being able to complete a work for the estimated amount, or for a trifling addition to the sum sanctioned.

* Sanctioned in G. O. No. 35 of 5th February 1873.

2. From the accompanying comparative statement you will observe that a large proportion of the excess is under the head "brick in chunam," and with reference to this I beg to explain, that it was found necessary to take down and rebuild portions of the walls, as the masonry had suffered in parts from long exposure to the weather, and that the estimated rate proved to be insufficient. The door-frames were also very much injured by exposure and could not be retained. The extra expenditure (Rupees 29-11-10) under the item "2 batten doors" was principally incurred in the construction of new frames, and was very necessary.

3. The excess of Rupees 27-14-7 for superintendence and sundries was unavoidable, as special supervision had to be provided to superintend this isolated building.

No. 455. ORDER THEREON, 20th June 1874, No. 1,669.

CIVIL WORKS, No. 30.

UNDER the circumstances reported the excess of Rupees 195, which is partly attributable to the long suspension of building operations and to the work already done having thereby deteriorated, is passed.

dispensed with during the Session, or
part thereof, in case of the non-
payment when due of any Call
made, and Interest, and Expenses,
in Connexion with such Call to
which Penalty, Interest, and Expenses
the Company shall be entitled,
notwithstanding any Composition
or Agreement made after such
default, or the Waiver of any
previous default; and the Directors
may recover the said Expenses as
part of the Debt due in respect
of such Call.

The Directors may from time to time
make Calls upon the Shareholders
in respect of all Moneys unpaid on
their Shares, but no Call shall exceed
Ten Pounds per Share, and not more
than One Call shall be made in any
Month; and each Shareholder shall
(subject to receiving at least Fourteen
days' Notice specifying the Time and
Place of Payment) pay to the Company
the Amount of every Call so made on
him, at the Time and Place appointed
for Payment of such Call. A Call
may be revoked or postponed at the
Discretion of the Directors.

A Call shall be deemed to have been
made at the Time when the Resolution
of the Directors authorizing such Call
was passed, and may be required to be
paid by Instalments.

The Joint Holders of a Share shall be
severally as well as jointly liable for
the Payment of all Calls and Instalments
due in respect of such Share.

If any Shareholder fails to pay any Call
or Instalment due from him on the Day
appointed for Payment thereof, he shall
be liable to pay Interest for the same
at the Rate of Five Pounds per Cent.
per Annum from the Day appointed for
the Payment thereof to the Time of the
actual Payment; but the Directors may
remit the whole or any part of such
Interest.

Any Sum which by the Terms of Issue of a
Share becomes payable on Allotment or at
any fixed Date, whether on account of the
Nominal Value of the Share or by way of
Premium, shall for the purposes of these
Regulations be deemed to be a Call duly
made and payable on the Date on which
by the Terms of Issue the same becomes
payable, and in case of non-Payment all the
relevant Provisions of these Regulations as
to Payment of Interest and Expenses,
forfeiture or otherwise shall apply as if
such Sum had become payable by virtue of a
Call duly made and notified.

The Directors may issue Shares with
such Preference or special Rights or
such Restrictions, whether in regard to
Dividend, Voting, Return of Capital or
otherwise, as they may determine.

Subject to the Provisions of the Statutes,
Preference Shares may be issued which
are, or at the Option of the Company are
liable, to be redeemed on such Terms and
in such manner as the Company before the
Issue of such Shares may by Special
Resolution determine.

The Company may exercise the Powers of
paying Commissions conferred by Section
Eleven of the Act, provided that the rate
per cent. or the amount of the Commission
paid or agreed to be paid shall be
disclosed in the manner required by the
said Section and the Rate per cent. or
amount of the Commission shall not exceed
the Rate of Ten per Cent. of the Price at
which the Shares are issued or the amount
of Ten Shillings on each Share, whichever
is the less. The Company may also on any
Issue of Shares pay such Brokerage as may
be lawful.

Except as required by Law, no Person shall
be recognized by the Company as holding any
Share upon any Trust, and the Company shall
not be bound by or compelled in any way to
recognize (even when having Notice thereof)
any equitable, contingent, future or partial
Interest in any Share, or any Interest in any
fractional part of a Share, or (except only as
by these Regulations or by Law otherwise
provided) any other Rights in respect of any
Share except an absolute Right to the entirety
thereof in the Registered Holder.

Borrowing Powers.

The Directors may exercise all the Powers of
the Company to borrow Money, and to mortgage
or charge its Undertaking, Property and
uncalled Capital, or any part thereof, and to
issue Debentures, Debenture Stock, and other
Securities whether outright or as Security for
any Debt, Liability or Obligation of the
Company or of any third Party.

Transfer of Shares.

The Instrument of Transfer of any Share shall
be executed by or on behalf of the Transferor
and the Transferee, and the Transferor shall
be deemed to remain a Holder of the Share
until the Name of the Transferee is entered in
the Register of Members in respect thereof.

The Directors may decline to recognize any
Instrument of Transfer unless a Fee not
exceeding Two Shillings and Sixpence is paid
to the Company in respect thereof.

The Directors may decline to register any
Transfer of Shares which are not fully paid
Shares to a Person of whom they do not
approve, and they may also decline to register
any Transfer of Shares on which the Company
has a Lien.

The Directors may suspend the Registration of
Transfers during the fourteen days immediately
preceding the Ordinary General Meeting in each
year and during such other Periods (if any) as
they may determine.

Transmission of Shares.

In case of the Death of a Member, the
Survivor or Survivors where the deceased was a
joint Holder, and the Executors or
Administrators of the deceased where he was a
sole Holder, shall be the only Persons
recognized by the Company as having any Title
to his Shares; but nothing herein contained
shall release the Estate of a deceased joint
Holder from any Liability in respect of any
Share which had been jointly held by him with
other Persons.

Any Person becoming entitled to a Share in
consequence of the Death or Bankruptcy of a
Member may, upon such Evidence being produced
as may from time to time properly be required
by the Directors and subject as hereinafter
provided, elect either to be registered himself
as Holder of the Share or to have some Person
nominated by him registered as the Transferee
thereof, but the Directors shall have the same
Right to decline or suspend Registration as
they would have had in the case of a Transfer
of the Share by that Member before his Death
or Bankruptcy, as the case may be.

If the Person so becoming entitled shall elect
to be registered himself, he shall deliver or
send to the Company a notice in writing signed
by him stating that he so elects.

If the Person so becoming entitled shall elect
to have another Person registered, he shall
testify his election by executing to that
Person a Transfer of the Share.

All the Limitations, Restrictions and
Provisions of these Regulations relating to the
Right to Transfer and the Registration of
Transfers of Shares shall be applicable to any
such Notice or Transfer as aforesaid as if the
Death or Bankruptcy of the Member had not
occurred and the Notice or Transfer were a
Transfer signed by that Member.

A Person becoming entitled to a Share by
reason of the Death or Bankruptcy of a Member
shall be entitled to the same Dividends and
other Advantages to which he would be entitled
if he were the registered Holder of the Share,
except that he shall not before being
registered as a Member in respect of the Share
be entitled in respect of it to exercise any
Right conferred by Membership in relation to
Meetings of the Company.

Forfeiture of Shares.

If any Shareholder fails to pay any Call or
Instalment of a Call on the Day appointed for
Payment thereof, the Directors may, at any time
thereafter during such Time as any part of such
Call or Instalment remains unpaid, serve a
Notice on him requiring Payment of so much of
the Call or Instalment as is unpaid, together
with any Interest which may have accrued and
all Expenses that may have been incurred by the
Company by reason of such non-Payment.

The Notice shall name a further Day (not
earlier than the Expiration of Fourteen days
from the Date of the Notice) on or before which
the Payment required by the Notice is to be
made, and shall name the Place where Payment is
to be made. The Notice shall also state that in
the event of non-Payment at or before the Time
and at the Place appointed, the Shares in
respect of which the Call was made will be
liable to be forfeited.

If the Requirements of any such Notice as
aforesaid are not complied with, any Share in
respect of which the Notice has been given may
at any time thereafter, before the Payment
required by the Notice has been made, be
forfeited by a Resolution of the Directors to
that effect.

A forfeited Share may be sold or otherwise
disposed of on such Terms and in such manner as
the Directors think fit, and at any time before
a sale or disposition the forfeiture may be
cancelled on such Terms as the Directors think
fit. Where for the purposes of its disposal a
forfeited Share is to be transferred to any
Person, the Directors may authorize some Person
to execute an Instrument of Transfer of the
Share to that Person.

A Person whose Shares have been forfeited shall
cease to be a Member in respect of the forfeited
Shares, but shall, notwithstanding, remain
liable to pay, and shall forthwith pay, to the
Company all Calls, Interest and Expenses owing
upon or in respect of such Shares at the Time of
the forfeiture, together with Interest thereon
from the Time of forfeiture until Payment at
such Rate as the Directors may prescribe, and
the Directors may enforce the Payment thereof
if they think fit.

The Directors may, if they think fit, receive
from any Member willing to surrender the same,
any of his Shares and any such surrendered
Share may be dealt with in the same manner as a
forfeited Share.

The forfeiture of a Share shall involve the
extinction at the Time of forfeiture of all
Interest in and all Claims and Demands against
the Company in respect of the Share and all
other Rights incidental to the Share except
only such of those Rights as by these
Regulations are expressly saved, or as are
given or imposed in the case of past Members by
the Statutes.

A Declaration in writing that the Declarant is
a Director or Secretary of the Company, and
that a Share has been duly forfeited on a Date
stated in the Declaration, shall be conclusive
evidence of the Facts therein stated as against
all Persons claiming to be entitled to the
Share.

The Company may receive the Consideration
given for a Share on any Sale or Disposition
thereof pursuant to the foregoing Provisions
and may execute a Transfer of the Share in
favour of the Person to whom the Share is sold
or disposed of and may register the Transferee
as the Holder of the Share comprised in any
such Transfer.

Upon any Sale after forfeiture or upon an
Allotment made after forfeiture or surrender
pursuant to the foregoing Provisions, the
Directors may direct that the Name of the
Defaulter shall be removed from the Register of
Members as the Holder of the Shares, and shall
direct that the Purchaser or Allottee shall be
registered as the Holder of the Shares, and the
Purchaser or Allottee shall not be bound to see
to the Application of the Purchase Money, nor
shall his Title to the Shares be affected by any
Irregularity or Invalidity in the Proceedings
in reference to the forfeiture or Sale or
Allotment.

Conversion of Shares into Stock.

The Company may by Ordinary Resolution convert
any paid up Shares into Stock, and may by
Ordinary Resolution reconvert any Stock into
paid up Shares of any Denomination.

The Holders of Stock may transfer the same or
any part thereof in the same manner as and
subject to the same Regulations under which the
Shares from which the Stock arose might
previously to Conversion have been transferred,
or as near thereto as circumstances admit;
provided that the Directors may from time to
time fix the minimum amount of Stock
transferable, but so that such minimum shall
not exceed the nominal amount of the Shares
from which the Stock arose.

The Holders of Stock shall, according to the
amount of Stock held by them, have the same
Rights, Privileges and Advantages as regards
Dividends, Voting at Meetings of the Company,
and other matters, as if they held the Shares
from which the Stock arose; but no such Right,
Privilege or Advantage (except participation in
the Dividends and Profits of the Company and in
the assets on Winding up) shall be conferred by
any such Unit of Stock which would not, if
existing in Shares, have conferred that Right,
Privilege or Advantage.

Alteration of Capital.

The Company may by Ordinary Resolution
increase the Share Capital by the creation of
new Shares of such Amount as may be necessary.

The New Shares shall be subject to the same
provisions with reference to the payment of
Calls, Lien, Transfer, Transmission, Forfeiture
and otherwise as the Shares in the original
Capital.

Subject to the Provisions of the Statutes, the
Company may by Special Resolution reduce its
Share Capital, any Capital Redemption Reserve
Fund or any Share Premium Account in any manner

dura of Irrecoverable Debt, as specified
in pursuance of the Act, to the Treasurer of
the Receiver General, there to be held
Subject to the Order of Parliament.
