*Proceedings of the Madras Government, Public Works Department,
26th January 1874.*

Read the following papers:—

No. 328. From Captain A. EDGCOME, R.E., Officiating District Engineer, Bellary, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Durnavaram, 4th December 1873, No. 1,444.

I HAVE the honour to inform you that much of the time of the Overseer in charge Kudligi Taluq, Hospett Range, is taken up in attending to the execution of trifling repairs required to the Military Buildings at Ramandroog. The Quarter Master Serjeant at the Droog would be able to execute these petty repairs in a shorter time than the Overseer, and is willing to undertake them.

2. In the Cantonment of Bellary, the Barrack Master executes all petty repairs costing 50 Rupees and less, and receives payment from this department; as this system may with advantage be followed in the case of the Military Buildings at Ramandroog, I solicit the sanction of Government to the proposal that the Quarter Master Serjeant should there act as the Barrack Master acts at Bellary.

REFERRED to the Military Department for consideration and orders. There is no objection in this department to the proposal.

IN returning letter from the District Engineer, Bellary, No. 1,444, dated 4th instant, referred to the Commander-in-Chief, I have the honour, by order, to state that His Excellency has no objection to the repairs of Military Buildings at Ramandroog being undertaken under the orders of the Officer Commanding the Depot who will employ the Quarter Master Serjeant, or any other person he may consider desirable in superintending the work.*
