Proceedings of the Madras Government, Public Works Department,
23rd June 1874.

No. 499. Read the following endorsement of the Acting Chief Secretary to Government, dated Ootacamund, 5th June 1874:—

From the Venerable J. GORTON, Archdeacon of Madras, to the Honourable D. F. CARMICHAEL, Acting Chief Secretary to Government, dated Madras, 2nd June 1874, No. 67.

I HAVE the honour to forward an application from the Rev. A. C. Taylor, Acting Chaplain of Bellary, for a bell which is much needed for summoning the congregation at the Garrison Church to Divine Service.

2. The Chaplain explains that for want of a bell very few persons can know when the Chaplain is on out-station visits, or when he is present to perform Divine Service.

3. I do not know how it is that the Garrison Church of so important a station as Bellary does not possess a bell, but I have no doubt that the Government will at once order one to be supplied from the Arsenal, as it is one of the articles expressly sanctioned for all Government churches.

TRANSFERRED to the Public Works Department for disposal.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

No. 500. ORDER THEREON, 23rd June 1874, No. 1,690.

The Chaplain explains that for want of a Bell many few Natives can know when the Chaplain is on outstation visits or when he is present to perform Divine Service.

I do not know how it is that the Garrison Church of so important a station as Bellary does not possess a Bell, but I have no doubt that the Government expected Funds would be supplied from the Mission, as it is one of the Articles expressly Sanctioned for all Government Churches.
