*Proceedings of the Madras Government, Public Works Department,
21st May 1874.*

No. . . Read the following endorsement of the Revenue Department, dated
Fort St. George, 6th March 1874 :—

Proceedings of the Board of Revenue, dated 3rd March 1874.
READ Proceedings of the Madras Government, Revenue Department, dated 12th
December 1873, No. 1,402, recording Proceedings of the Board of Revenue, sub-
mitting a list of Public Buildings required in Kistna District with remark that it
is presumed that the Board will in due course make a selection of buildings most
urgently required in all the districts, and submit a list for entry in the Budget
for 1874-75.

A list of the works in the several districts, entered in the order in which it
is desired that they should be constructed, will be submitted to Government. The
Collectors have not given the estimated cost of each work, but the Board hope
that it will be possible for Government, in the Public Works Department, to
roughly estimate the amounts required and provide in the Budget of 1874-75
for as many works as possible in the order in which they are entered in the list.

2. Mr. Bliss, while acting as Collector of Madura, proposed to transfer the
head-quarters of the Head-Assistant from Ramnad to Manamadurai, and to build
an office for him at the latter station. Mr. McQuhae will be requested to favour
the Board with his opinion in regard to the proposed transfer.

3. The Collectors of Tanjore and South Canara have not as yet furnished
the Returns of Public Buildings required in their districts, called for in the Board's
Proceedings, dated 25th June 1873, No. 1,106. They are requested to do so as
soon as possible.

4. The Collector of Chingleput and the Commissioner of the Neilgherries
report that no public buildings are required in their districts, and hence the districts
are omitted in the accompanying list.
