*Proceedings of the Madras Government, Public Works Department,  
24th June 1874.*

No. 528. Read the following letter from Captain H. BAILEY, Officiating District Engineer, Salem, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Salem, 7th May 1874, No. 31 :—

With reference to the latter part of paragraph 1 of G. O., No. 443, of the 23rd February 1874, I would feel much obliged by your kindly informing me whether Overseer Streenivasooloo Naidoo is to be considered out of employ from the date of the above Government Order until he obtains employment in another district.

2. The Oosoor Range Officer has, I find, drawn his pay from the 7th March 1874; this it seems to me is a mistake, as by G. O., No. 431, of the 21st February 1874, a temporary Overseer was appointed in his room, and Overseer Smith has since been appointed as Overseer of the Dharampoory Taluq in his stead.

3. If his salary is granted there will be one Overseer in excess of the sanctioned establishment; and, in that case, I beg that Government will be pleased to authorize the Controller passing the salary of the temporary Overseer from the 7th March to the 9th April 1874, the latter being the date on which he was finally relieved from charge of the Dharampoory Taluq by Overseer Smith.

4. This will also cause a double charge from the 29th March to the 9th April 1874, being the period during which Overseer Smith was taking over charge of the taluq from the temporary Overseer T. Peroomal Naidoo.

5. Copies of the disallowance statements are herewith forwarded.

No. 529. ORDER THEREON, 24th June 1874, No. 1,703.

ESTABLISHMENT, No. 38.

OVERSEER STREENIVASOOLOO NAIDOO will be considered as under suspension from the date on which he was relieved of charge of his taluq till he obtains employment elsewhere, and his pay will be passed accordingly; temporary Overseer T. Peroomal Naidoo being passed the allowances sanctioned in G. O., No. 431, dated 21st February 1874, up to date of his having finally given over charge to Serjeant Smith.

2. The Coptow Range Officer has, I find, drawn his pay from the 7<sup>th</sup> March 1874; this it seems to me is a mistake, as by G. O. No 431 of the 21<sup>st</sup> February 1874,

a temporary Overseer was appointed in his Room, and Overseer Smith has since been appointed as Overseer of the Pharampoory Talug in his stead.

3.
