*Proceedings of the Madras Government, Public Works Department,
26th June 1874.*

No. 595c. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 23rd May 1874, No. 618:—

HAVING seen in the *Gazette* of the 19th instant the promotion of Major Hasted, R.E., to be Officiating Superintending Engineer, 3rd Grade, I beg most respectfully to solicit the favourable reconsideration of the Government to my supersession in this case. I have not been made aware of any charges against myself; I have endeavoured to the best of my ability to promote the interests of the Government in this district, and I believe not unsuccessfully. I have now been transferred to another district, losing all the benefits of my position here, having to pay all my own expenses, and I am now superseded. I am not aware why I should be so heavily and severely punished after twenty-five years' service in the department. I trust the Government will be pleased to give my claims a more favourable consideration on the first opportunity, and allow me to enjoy the same benefit as others.

No. 595D. ORDER THEREON, 26th June 1874, No. 1,737-B.

ESTABLISHMENT, No. 42B.

LIEUTENANT-COLONEL FISCHER will be informed that the grounds on which the Government were compelled to record their disapproval by transferring him from the Godavery to the Madras District were specified in the papers upon which the G. O. of the 11th May 1874, No. 1,262, was passed, and which were communicated to Colonel Fischer.

2. His Excellency in Council must decline to reconsider that order.
