Report to accompany the Estimate
for a partition wall to be built in the
Female Hospital.

Amount of Estimate Rs 205.

It is proposed to build a partition
wall across the larger ward, between the
present partition wall and the end
wall of ward so as to divide the ward
into three parts.

The wall will be built to the height
of the present partition, ie 16', leaving
a clear space of 6' from top of wall to
tie-rod of trusses, it will be $1\frac{1}{2}$ ' thick
and will be plastered on both sides
with three coats of chunam. A
panel and wooden door ixj will
be built in the centre of the wall.
