Proceedings of the Madras Government
Read the following
Now
The Off Controller
of PW accounts (New Order No 1410 dated
18 May 1874)

The Court of Exchequer
having, as recorded in
Order No 1009 of 18th April,
determined to hand over
the works of the Kennedy
Estate unreservedly to the
Public Works Department,
it only remains for them
to lay before Government
their Budget for the cur-
rent year, including
the usual percentage
for sundries; and that
the Accountant General
has

Geo-1761-A-30-6-74

he instructed in the
Financial Department
to credit the total amount
to the Public Works Departt.

Presuming that the
Court of Wards have ac-
-cepted the Establishment
proposed in the latter part
of the above noted
application will be
made to the Government
of India for an addition
to the existing Public Works
Establishment of 1 Supervisor of the 1st grade
and 2 Overseers of the 1st grade
with the necessary office
Establishments fully to
provide the extra super-
-vision required. The
new actually entertained
will not however neces-
-sarily be of the highest
grades

grades of those ranks.
A small petty Establish-
-ment may also be
entertained, and its cost
included in the per-
-centage above men-
-tioned, not separately
charged to the Estate
as erroneously stated
at first.

H. E. Sec. dated

To
The Secretary to the Govt.
of India C.P.W.

Sir
Hitherto the works in
the Kinnedy Estate in
the Canjane District
under the management
of the Court of Wards
have been supervised

by the Court with the
aid of a Public Works
Subordinate who was
placed at their disposal
and borne on the Estab-
lishment list of the
Department as a super-
numerary, his pay
being disbursed from
the Estate funds. The
quasi independent
position which the
Subordinate in question
held under these ar-
rangements, however,
and the absence of
efficient check over
his proceedings which
naturally ensued have
led to eminently un-
satisfactory results.
and

and the Court have now
arrived at the conclu-
sion that the only way
in which the work at
can be carried out with
a due regard to econo-
mical management
and the interests of
the infant proprietor
is to hand them over
unreservedly to the
Public Works Departt,
paying a rateable
share on the outlay
as a contribution
for the Establishment
which may be employed.

As will be seen
from the accompanying
copy of Proceedings
No 1009 dated 18 April 1874,

Rev

His Excellency the Governor
in Council concurs in
the propriety of these
proposals and considers
that effective super-
-vision will best be
secured by constituting
the Estate a Public
Works subdivisional
change.

The additional Estab-
-lishment required
will be 1 Supervisor
of the 1st grade and
2 overseers of the 1st
grade with the necessary
office Establishments,
and I am to request
the sanction of the
Govt. of India to the
entertainment of this

Establishment. It is
not anticipated that
the general budget
provision on account
of Establishments
for the current year
will be exceeded by the
sanction now sought,
as the additional cost
will probably be met
from savings on the
total grant.
