30th June 1874.*

No. 643. Read the following Proceedings of the Government of India in the Public Works Department, (Irrigation,) dated Simla, 13th October 1873, No. 737—8 I. :—

READ the following documents :—

Memorandum (Parts II. to VI.) of a tour of inspection of irrigation works in the Madras Presidency by the Inspector-General of Irrigation Works.

ORDER.—Ordered that copies thereof be forwarded to the Government of Madras, in the Public Works Department, Irrigation Branch, for consideration of the remarks and recommendations recorded by the Inspector-General of Irrigation Works, and for report on the points requiring decision.

Ordered also that Part II. on the Godavery Delta Works, and Part VI. on the Madras Irrigation Company's Works, be published in the *Gazette of India*.

Colonel, R.E.,

Depy. Secy. to the Government of India.

No. 644. ORDER THEREON, 30th June 1874, No. 1,761c.

IRRIGATION, No. 36.

ORDERED that copies of the notes of the Inspector-General of Irrigation Works, with the marginal remarks of

the Chief Engineer for Irrigation, be transmitted for the information of the Government of India.

2. With regard to Colonel Rundall's remarks on the inadequate strength of the engineering staff in Tanjore, it is observed that His Excellency the Governor in Council would very gladly have increased the number of officers in that most important delta had it been possible to do so, and such additions will be made at the earliest possible moment as will enable the greatly needed improvements in certain parts of the delta to be efficiently carried out.

3. Ordered also that the parts of the Inspector-General's notes relating to the several districts and works with the marginal remarks be communicated to the District Engineers and other officers concerned.

4. The subject of the last paragraph but one of Colonel Rundall's Report Part V. has already been disposed of by the Government of Madras, and His Excellency in Council is not prepared to re-open it.
