RESOLUTION.—The Secretary of State having desired that the amount of traffic earnings taken to account in the half-yearly net profit statements of the Guaranteed Railway Companies should be so divided as to show the several half-years to which the collections are really due, it becomes necessary to modify to some extent the form issued with Public Works Department Resolution, Nos. 606—11 A—G R, of the 29th December last.

2. The accompanying form has accordingly been framed to meet the requirements of Her Majesty's Government, and the Governor-General in Council is pleased to direct that it should be adopted in future instead of the one at present in use.

ORDER.—Ordered that this Resolution be communicated to the Local Governments and Officers named in the margin for information and guidance.
