2 Estimates & 3 Section Plans

Constg an Embankment along the eastern bank of Boodukal stream from Kullicoil Anicut towards the high ground of the same Village in continuation of Boodukal Diversion Channel Rs —1260.

Cutting Channel to draw water from the pits in rear of Cho. Lawaram Tank Bund Rs 1030

I have the honor to be,

Sir,

Your most obedient Servant,

F. Flenbeuty

Colonel, R.E.,

District Engineer, Chingleput.

Proceedings of the Madras Government, Public Works Department, 26th January 1874.

Read the following letters:—

No. 355. From Colonel F. J. MOBERLY, R.E., District Engineer, Chingleput, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Guindy, 17th December 1873, No. 2,589.

Two Estimates and three Section Plans.

I HAVE the honour to forward herewith, for your sanction, the estimates for the works as follows:—

	Rs.
Constructing an embankment along the eastern bank of Boosykal stream from Kullicoopum Village towards the high ground of the same village in continuation of Boosykal Diversion Channel ...	1,260
Cutting Channel to draw water from the pits in rear of Cholaveram tank bund	1,030

No. 356. From the same Officer, dated Guindy, 20th December 1873, No. 2,613.

IN continuation of this Office No. 2,589, of 17th December 1873, I have the honour to forward the Survey Plan of the ground through which the channel to drain the water from the pits in rear of the Cholaveram tank bund runs.

No. 357. ORDER THEREON, 26th January 1874, No. 179.

IRRIGATION, No. 37.

THE following estimates received with the above letters from the District Engineer, Chingleput, are sanctioned:—

	Rs.
Raising embankment across the old course of the Boosykal	1,260
Draining pits in rear of Cholaveram tank bund	1,030

2. The first is required to prevent a recurrence of the breach which took place in November 1872, and the second is intended to secure the stability of the rear slope of the Cholaveram tank bund by preventing the saturation of the soil on which it rests. Both estimates will be charged against Revenue in the accounts of the Madras Water Works, and the outlay will be met from the allotment for Repairs, Agricultural.

(True Extract.)

Colonel, R.E.,
Secretary to Government.
