B.P. No.		Mis.
97-99		
Dated	7-2-1894	195 .

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
7th July 1874.*

Read the following letters:—

No. 97. From G. D. WYBROW, Esq., Officiating District Engineer, Trichinopoly, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Trichinopoly, 28th May 1874, No. 72.

I HAVE the honour to submit for sanction the estimate for punkahs for Staff Serjeants' and family quarters, Royal Artillery, at Trichinopoly, the same having received the approval of His Excellency the Commander-in-Chief.

2. The work has been put in hand at the request of the Military Authorities, but payment has been deferred for want of funds and sanction of the estimate.

No. 98. From the same Officer, dated Trichinopoly, 6th June 1874, No. 87.

WITH reference to your memorandum No. 394, dated 3rd June 1874, I have the honour to report that, on the requisition of the Military Authorities for providing punkahs to the Staff Serjeants' and family quarters of the Royal Artillery, the work was proceeded with in anticipation of the provision of funds. An estimate of Rupees 795 for this work was sanctioned for execution in G. O., No. 1,755, of 12th June 1867, and upon this authority, and as the Military Authorities were very anxious to have the punkahs in use during the present hot season, I thought myself justified in commencing the work in anticipation of the provision of funds. The Contractor, moreover, was stipulated with to receive no payments for work done until funds were provided.

No. 99. ORDER THEREON, 7th July 1874, No. 1,809.

MILITARY WORKS, No. 4.

UNDER the explanation supplied the estimate of Rupees 800 for punkahs for the family quarters and Staff Serjeants of the Artillery at Trichinopoly is sanctioned, and funds provided from the Reserve under Military, and the action of the District Engineer in proceeding with the work in anticipation of sanction is approved.

2. But Mr. Wybrow will understand in future that Government must have full information supplied with all papers submitted for their orders. A little trouble taken to make matters clearly understood at first saves references and unnecessary correspondence.

No. 3759

To

THE DISTRICT ENGINEER,

Trichinopoly

SIR,

Enclosures. 3

amounting to Rs. 500 for the purchase of the Staff Sergeant's Family Quarters of the Royal Artillery at Trichinopoly

I HAVE the honor by order to return with the approval of His Excellency Commander-in-Chief, the ~~Estimate~~ and Estimate received with ~~your~~ letter, No. 221 dated 19th May 1874 from the Office Commanding Southern District.

I have the honor to be,

Sir,

Your most obedient Servant,

J. T. Cornwell Colonel,
Deputy Quartermaster-General.

District Engineers Office
Tribunally. 5th May 1874.

Remarks

and Family
Punkahs for Staff Sergeants Quartermaster R. A.
Each punkah to be constructed of
one teakwood plank 10' x 2 1/2' x 1/8" with a Brown
Holland fill 18 inches deep - this will make
the punkah 26 inches deep including wood-
work &c.

The punkahs to be suspended
by iron rods and connected by cotton ropes, the
bottom of the fill to be 6 feet from the floor.
Teakwood pieces are required to be put over the
collars of the pulley rope couples so as to sus-
pend the punkahs to, and in this work,
two hammer-headed nails will be fixed
(strewed).

The four punkahs for Staff
Sergeants Quartermaster to be pulled by one man
and the punkahs for Family Quartermaster to
be pulled by four men, that is, two punkah
pullers will have six punkahs each, and
two seven each. There being thirteen
punkahs to each Range.

The punkahs will be connected
by means of one cotton rope running over
a pulley which is required at each place
where the punkah pulley is at work, there
to be fixed in the wall by a teakwood
bracket, and for the punkahs to the
the
