*Proceedings of the Madras Government, Public Works Department,
7th July 1874.*

No. 100. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 13th June 1874, No. 2,205 :—

THE case of Colonel J. Bean, R.E., lately District Engineer of Coimbatore, was somewhat peculiar owing to his services having been placed at the disposal of the Military Department before the expiry of the thirty days' subsidiary leave which was granted to him by the Public Works Department, and I therefore addressed the Accountant-General of the Public Works Department on the subject.

* Accountant-General, Public Works Department, No. 807-G., of 6th June 1874.

My reference has brought out the fact* that whereas Colonel Bean received only his Military allowance from 1st to 26th

April 1874 from the Military Department, he is also entitled to his departmental pay for those days, both Military allowances and departmental pay being debitable to the Public Works Department, and no portion to the Military Department.

2. Colonel Bean availed himself from the 1st April 1874 of the preparatory leave granted to him by the Public Works Department in the *Fort St. George Gazette* of the 17th March, and he embarked on the 27th April, after his services

had been placed at the disposal of the Military Department* and of His Excellency the Commander-in-Chief.†

* "But it has been decided by the Government of India that in cases where the grant of furlough to a Military Officer in Civil employ involves forfeiture of appointment the officer's services should not be placed at the disposal of Military Department until the date on which the furlough begins, and it has accordingly been ruled.—*Vide* the note added to Section 19 (b) of the Civil Leave Code by Financial Department Notification No. 768, dated 30th January 1874, that a Commissioned Military Officer in Civil employ does not lose his lien on his appointment during subsidiary leave preparatory to furlough."

From the remarks by the Accountant-General of the Public Works Department as noted in the margin, it will be seen that the services of Colonel Bean should not have been placed at the disposal of the Military Department until the date on which his furlough commenced, and I would therefore suggest that the Military Department be informed of this view of the case. I shall inform the Controller of Military Accounts that the Public Works Department

will accept the Military Department debit of the allowances paid to Colonel Bean up to the 26th April 1874, and that I will arrange to remit to Colonel Bean the difference between the amount already paid and that still due to him.

But it has been decided by the Government of India that in cases where the grant of furlough to a Military officer in civil employ involves forfeiture of appointment the officer's services should not be placed at the disposal of the Military Department until the date on which the furlough begins, and it has accordingly been ruled (vide the notification to section 19(b) of the Civil Leave Code by Financial Department Notification No. 968 dated 30th January 1874, that a commissioned Military officer in civil employ does not lose his lien on his appointment during subsidiary leave preparatory to furlough.
