22nd April 1874

No 23.

From The District Engineer
Trichinopoly

To The Secretary to Government
Department Public Works
Madras

Sir

I have the honor to submit for
sanction the accompanying Plan, Estimate
&c for sinking a well to the Apothecary's
Quarters Garrison Hospital Trichinopoly
amounting to Rupees (205-0-0) Two hundred
and five the same having received the ap-
proval of His Excellency the Commander in
Chief

I have the honor to be
Sir

Your most Obedient Servant

J. W. Brown
District Engineer in charge

District Engineer's Office
Tulahoma, Ark. 18th May 1874

Trial pits have been excavated and Rock found at 3 feet below the surface.

It is proposed to excavate the
first 3 feet in depth 15 1/2 feet in dia-
meter, the next 6 feet in depth, to be
12 feet in diam. at top and 11 feet at bottom.

The remaining 12 feet in depth to be 8 feet in diam at top and 6 feet at bottom.

The first 3 feet of excavation being 15½ feet in diam. and the top portion of the next 6 feet of excavation being 12 feet in diam., leaves a berm of ½ feet, so as to prevent loose soil from falling into the well while the excavation is in progress.

It is proposed to build a parapet wall 3 feet high, all round the well and two pillars to support a beam, upon which a wheel is to be fixed for drawing up water.

Encl. 9th
May 1874.
