Read the following Proceedings of the Court of Wards, dated 8th June 1874.

Read the following letter from W. S. WHITESIDE, Esq., Collector and Agent to the Court of Wards, to J. GROSE, Esq., Secretary to the Court of Wards, dated Palmanair, 21st May 1874, No. 272.

In continuation of my letter, No. 257, dated 12th instant, I have the honor to submit, herewith, a plan and estimate, amounting to Rupees 3,600, for the reconstruction of the kandam or dam in the limits of Kamkoor in the Arnee Jaghire, together with the statement called for in Standing Order No. XI. of 1873.

2. The dam, when restored, will supply the sixteen tanks in the Arnee Estate noted in the margin. Some of them have been recently repaired, and the repairs of the other tanks are now in active progress. The ayacut under these sixteen tanks is cawnies 2,693, assessed at Rupees 26,844, of which the average revenue during the past ten years was

Rupees 14,366. Lands assessed at Rupees 10,358 are left waste owing to want of water. By the present improvement not only these waste lands but also an additional extent of cawnies 222, assessed at Rupees 2,050, are expected to be brought under wet cultivation. Thus an increase in the beriz of Rupees 12,403 is anticipated. I beg therefore to request that you will be good enough to obtain the early sanction of the Court of Wards for the execution of this most important project.

THE Arnee Jaghiredar having attained his majority, the Court are no longer competent to sanction any expenditure from the funds of the estate, but, should the Government sanction the arrangement proposed in paragraph 3 of the Court's Proceedings of the 21st May 1874, and the Jaghiredar be desirous that the project be carried out under the supervision of the Collector, there seems to be no objection to such a course.
