OOTACAMUND,
22nd June 1874.

(Signed) JOHN MULLINS, Lieut.-Colonel, R.E.,
Chief Engineer for Irrigation.

No. 432-D.

SUBMITTED for the information of Government.

The repairs expenditure generally exceeds by 27,000 Rupees one-twelfth of the grant, but this is due principally to heavy payments in Tanjore and Trichinopoly for work done in 1873-74.

2. In Bellary, Cuddapah, Chingleput, and Salem the outlay shown is either very small, or, as in Chingleput, nothing. The amount of estimates sanctioned is in this latter district entered as Rupees 7,476, and of course something like Rupees 45,000 to 50,000 worth of work should have been arranged for before the beginning of the year. No explanation has been afforded.

3. The outlay on Minor New Works is not satisfactory.

4. The return has been delayed much beyond its proper date by the absence of the statements for Chingleput and Malabar, which were not received until the 19th instant, and those from Tanjore and Madura were also late.

OOTACAMUND,
22nd June 1874.

(Signed) JOHN MULLINS, Lieut.-Colonel, R.E.,
Chief Engineer for Irrigation.

Proceedings of the Madras Government, Public Works Department,
15th July 1874.

No. 290.

ORDER THEREON, 15th July 1874, No. 1,904.

IRRIGATION, No. 26.

Account.

The District Engineers of Bellary, Cuddapah, and Salem will be called on to explain the cause of such short outlay in the first month of the official year, understood to be one in which it is desirable and practicable that good progress should be made with Agricultural Repairs.

2. The District Engineer of Chingleput is specially called to account for the absence of all recorded outlays. His attention and that of the District Engineers of Malabar, Tanjore, and Madura is also called to the necessity for sending in these returns, on which the Government lay much stress, with punctuality.

(True Extract.)

(Signed) G. W. WALKER, Colonel, R.E.,

Secretary to Government.

To the Chief Engineer for Irrigation.
To District Engineers.
