15th July 1874.*

No. 304. Read the following letter from Captain R. F. TAYLOR, Acting District Engineer, Kurnool, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp at Dhone, 17th June 1874, No. 57 :—

I HAVE the honor to report, for your information, that in the month of March 1873 certain Government property was stolen from the tent of Overseer J. Carroll; the circumstance was at once reported by me to the late District Engineer, and also to the Police authorities; all articles (except a level) have since been recovered. As Major Hicks now gives up all hopes of tracing this instrument, and as Mr. Carroll was in no way to blame, having taken every reasonable precaution for the security of the property entrusted to his charge, I would respectfully ask permission to strike this article off from the returns of Tools and Plant of this district.
