*Proceedings of the Madras Government, Public Works Department,
16th July 1874.*

Read the following papers:—

No. 312. Endorsement of the District Engineer, Presidency, dated Fort St. George, 28th January 1873, No. 3,083.

From Colonel C. A. DENISON, President of the Municipal Commission, Madras, to Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency Range, dated Madras, 23rd January 1873, No. 1,064.

I HAVE the honor to acknowledge receipt of your Nos. 2,391* and 2,741, of the 3rd December 1872 and 6th January 1873, respectively, and in reply to inform

* Five Enclosures returned.

• you that the estimate for laying on water to the Body Guard Lines was prepared in June last, and no communication was received in this office until the receipt of your letter under acknowledgment.

2. In the contract entered into between Mr. Woolley and the Commissioners, he is bound to supply only a certain quantity of pipes—the tonnage required for the public service—at Rupees 79-12-0 per ton, but any excess over this has to be supplied under a different arrangement.

3. At the time the estimate was prepared the price of iron in the English market was such as would have enabled Mr. Woolley to supply the quantity required at the contract prices; but the unprecedented rise in the price of both pig-iron and coals since was so great that the Municipality had to pay a much higher price for the last two consignments of pipes, and therefore the work cannot now be done unless under a revised estimate, which I herewith send.

4. If this is sanctioned I am willing to order the execution of the work at once, with the reserve materials at present on hand, and will replace them by importing to order the quantity used up.

SUBMITTED in original for the orders of Government, together with its enclosures.

2. The revised estimate now submitted by the President, Municipal Commission, for laying down pipes for the supply of water to the Body Guard Lines amounts to Rupees 5,552, whereas the estimate already sanctioned by Government, in their Order No. 1,760 of 24th July 1872, amounts to only Rs. 3,915,

making an excess of Rupees 1,537* requiring the sanction of Government.

3. The original estimate was prepared by the Municipal Department, and was submitted to Government in the Military Department by the Officer Commanding the Body Guard, embodied in G. O., No. 1,760, dated 24th July 1872.

(Signed) J. GODDARD, Lieut.-Colonel, R.E.,

No. 313. From Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 20th February 1873, No. 3,482.

With reference to your Memorandum No. 33, dated 29th January 1873, I have the honor to submit a comparative statement in the prescribed form showing the difference between the original and revised estimates for laying down pipes to the Body Guard Lines.

No. 314. From the same Officer, dated Fort St. George, 19th June 1874, No. 1,328.

With reference to your Memorandum No. 82, dated 1st March 1873, I have the honor to submit for sanction a

revised plan and estimate, together with specification report and comparative statement, amounting to Rupees 4,920, which have been prepared by the Executive Engineer, Municipality, in accordance with the instructions contained in your memorandum under reply, and duly approved of by the Officer Commanding the Body Guard. Provision is now made in the estimate for laying down pipes to one place only in the Body Guard lines, as indicated by you in red pencil on the plan herewith returned. By this arrangement the amount of the former revised estimate is now reduced from Rupees 5,552 to Rupees 4,920.

2. The original estimate for this work, amounting to Rupees 3,915, was sanctioned by Government in their Order No. 1,760 of 24th July 1872, and a sum of Rupees 3,910 was accordingly paid to the President of the Municipal Commission. The difference between the original sanctioned estimate and the present revised

MILITARY WORKS, No. 13.

His Excellency the Governor in Council sanctions the revised estimate now submitted, amounting to Rs. 4,920, for laying down pipes for conveying water to the Body Guard Lines.

*Proceedings of the Madras Government, Public Works Department,
16th July 1874.*

2. In addition to the advance of Rupees 3,910, already paid to the Municipality, a sum of Rupees 1,000 has been allotted in separate orders for the work, which is reported to be completed.

His Excellency the Governor in Council sanctioned the revised estimate now submitted amounting to Rs. 4,920 for laying down pipes for conveying water to the Body Guard Lines; but the District Engineer will observe from the orders of the 15th June 1874, A. 1579 that Rs. 2910

of the advance of Rs. 3910
have been made availa-
ble for the execution of
the Fort St. George Pro-
ject.

The Government
are not now in a position
to allot the funds neces-
sary for the prosecution
of the Body Guard Lines
Project. The work should
accordingly be brought
forward for entry in
the Budget of 1875-76 when
the balance of Rs. 3920
will be provided for.
