*Proceedings of the Madras Government, Public Works Department,
20th July 1874.*

No. 426. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 15th June 1874, No. 837:—

With reference to the statement of incomplete works forwarded with this office letter No. 404, dated 7th May 1874, I have the honor to request you will be

• Estimate, Rupees 47,330, sanctioned in G. O., No. 2,133, of the 7th September 1872. good enough to inform me whether the sum applied for on account of the road* from Rajahmundry to Rahitapuram, viz., Rupees 13,865, will be sanctioned; and if not, what portion of it.

2. The share of the cost of that work to be met from Local Funds was Rupees 23,665. The expenditure to end of 1873-74 was Rupees 21,235, and the balance of Local Funds, viz., Rupees 2,430, has been spent in this year.

3. Consequently the work is now proceeding without an allotment, and as the sum required is large, I have requested the Range Officer to limit his expenditure for the present to work emergently required to prevent loss pending a reply to this reference.

No. 427. ORDER THEREON, 20th July 1874, No. 1,945.

IRRIGATION, No. 35.

THE Government having found it necessary, owing to the small amount of the grant under Agricultural Ordinary, to omit to make any provision in the Budget of 1874-75 for the road, combined with river embankment, from Rajahmundry to Rahitapuram, the sum of Rs. 13,865 asked for by the District Engineer, Godavery, cannot be made available this year, but if Major Beatty will report, with reference to the last paragraph of his letter, what amount is required for emergent work, an endeavour will be made to provide this sum.
