*Proceedings of the Madras Government, Public Works Department,
27th January 1874.*

No. 383. Read the following endorsement of the Inspecting Engineer for Buildings, dated Bellary, 17th January 1874, No. 74 :—
From Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Fort St. George, 13th January 1874, No. 4,746.

WITH reference to your letter, No. 1,711, dated 24th December 1873, I have the honour to retransmit the plan and estimate, amounting to Rupees 350, together with an abstract estimate and specification, for constructing a stable for the Judge Advocate-General's Office, Fort St. George, duly corrected as therein pointed out.

2. Bengal terraced roof is now provided for in the estimate in lieu of the tiled one.

3. The rates now entered in the estimate are reasonable and sufficient, and no supplementary works will hereafter be required.

4. Funds may be allotted from any source at the disposal of Government.

SUBMITTED for the sanction of Government.

2. The plan and estimate have met with the approval of His Excellency the Commander-in-Chief. As the stable is much required, His Excellency requests that a special application may be made to Government for funds to carry out the work.
