*Proceedings of the Madras Government, Public Works Department,
20th July 1874.*

No. 437. Read the following letter from Captain J. L. L. MORANT, R.E., District Engineer, Neilgherries, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Ootacamund, 15th June 1874, No. 197 :—

WITH reference to Public Works G. O., No. 976, of the 14th April, I have the honor to inform you that I have expended Rupees 120 on the road from the Coonoor arched bridge to the Commissariat godowns out of the estimate of Rupees 3,000 sanctioned for that work. This was incurred before I was able to ascertain that no funds would be forthcoming in the current official year. I began the work feeling sure from Public Works G. O., No. 426, of the 20th February, that funds would be provided, and at once stopped it on receipt of G. O., No. 976, of the 14th April. The difficulty of obtaining labor on these hills just when it is required made me anxious to commence the work early, so that it might be finished before the Government and visitors left the hills for Madras. I have to apologize for having from the best of motives been rather precipitate in the matter.

No. 438.

ORDER THEREON, 20th July 1874, No. 1,950.

CIVIL WORKS, No. 34.

THE expenditure of Rupees 120 is under the circumstances authorized and funds will be provided hereafter.
