*Proceedings of the Madras Government. Public Works Department,
20th July 1874.*

No. 441. Read the following letter from Captain H. M. VIBART, R.E., District Engineer, Bangalore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Bangalore, 25th June 1874, No. 54:—

With reference to G. O., dated 17th June 1874, No. 1,629, I have the honor to report that on the 6th January I addressed a letter, No. 250, to the Inspecting Engineer for Civil and Military Buildings, forwarding remarks on the Budget for 1874-75.

2. In this letter there are the following remarks regarding Original Works No. 9, *i.e.*, drainage of Native Infantry lines.

* * * * *

Original Works No. 9.—"The balance of the estimate Rupees 9,400 has been entered. The allotment of this year will almost suffice to complete the drainage work in hand, *i.e.*, the drainage of the blocks actually commenced and nearly finished. It is unlikely that any more blocks will be commenced just now, as the old lines will first have to be removed, and after that it is, I believe, intended to cultivate the land for a year, if not for two, before the buildings are commenced.

Perhaps Rupees 1,000 will be required to complete the work in hand so that Rupees 8,400 will be available for other works."

3. I was requested to inform the Chief Engineer direct, and supposing my former remarks had been forwarded to him I did not enter into full particulars.

No. 442. ORDER THEREON, 20th July 1874, No. 1,952.

MILITARY WORKS, No. 16.

UNDER this explanation, which should have been supplied by the Inspecting Engineer, the sum of Rupees 8,400 is credited to the Reserve under Military.

Sir,

With reference to G.O. dated 27
June 1874, No. 1629, I have the honor
to report that on the 6 January I
addressed a letter No. 250 to the
Inspecting Engineer for Civil
and Military buildings forward-
ing remarks on the Budget for
1874/75.

In this letter there are the follow-
ing remarks regarding original
works No. 9 i.e. Drainage of Native
Infantry Lines.

Original Works No. 9. - "The balance
of the estimate Rs 9500 has been
entered. The allotment of this
year will almost suffice to complete

the drainage work in hand, i.e.
the drainage of the blocks actually
commenced and nearly finished.
It is unlikely that any more
blocks will be commenced just
now, as the old lines will first have
to be removed, and after that,
it is I believe, intended to cul-
tivate the land for years, if not
for two, before the buildings are
commenced.

Perhaps 1000 Rs will be required
to complete the work in hand
so that 8400 Rs will be available
for other works."

I was requested to inform
the Chief Engineer, direct and
supposing my former remarks had
been forwarded to him I did not
enter into full particulars.

I have the honor to be
